6A: Wedding Ring, Metal Detector At Beach/Drake Surrenders The Feud/Caitlin Clark Misses Out On USA Women's Team.

Kristin: Panic going through veins on the beach. Realize you lost your wedding ring, also your late mother's ring.

Bert: How does that happen?

Kristin: All the time

Bert: To you?

Kristin: Not to me, but it happens if you take it off. Lose something on the beach. Don't bring jewelry. A guy with a metal detector and

Bert: Which guy, the metal detector guy?

Kristin: Yes, him.

Bert: That's an amazing personality

Kristin: Here is the guy.

CUT TO VIDEO

All: One Last Try!

Bert: How much do they make in one day of their effort? One guy found a box and found a lot of money.

Moe: That was different?

Bert: Oh?

Kristin: Take a giant magnet and throw it in the water. I follow a guy on Instagram.

Tommy: Did I ever tell you about the Florida wedding ring? The guy is fishing, and a wedding ring is on in it.

Kristin: That's nuts

Tommy: We thought he was lying and the Today Show and he was telling the truth.

Bert: Guy threw it and found it years later? He's gotta get with her.

Moe: Find Her!

Abby: My pride and dignity.

Bert: What is the most prized possession?

Kristin: Magistackly bestowed a box, and I wonder what's in there. Horse at Disney or a necklace I lost in HS.

Moe: Jewlrey for me, too.

Bert: Jewelry

Moe: I lost all my jewelry.

Bert: I don't wear much, but I've lost many sunglasses. How much did I waste on alcohol?

Abby: I got this China tea set, took it, and lost it. Where did it go?

Bert: It would be worth thousands of dollars for sunglasses. Always lose them.

Kristin: My soul, dignity, sanity

CUT TO EBUZZ

Abby: Is this finally the end? Drafte forfeited the battle to Kendrick. I go back and forth on diss tracks. Drake has deleted all of his diss tracks.

Moe: I thought that was interesting. public opinion swayed him

Bert: Two are so crafty, and it could be a trap.

Moe: It could be, and people allege that Kendrick is a one-trick Pony.

Kristin: That's not true

Moe: He came back with 5 more songs.

Abby:" Kendrick and Sabrina Carpenter only have two songs in the Top 10. I was shocked Caitlin Clark did not make it to the USA team.

Kristin: And she didn't make it.

Abby: I was shocked at how she didn't make it,

CUT TO AUDIO

Bert: We will talk more later, but I read an article, and she has been following basketball and what a tremendous missed opportunity.

Kristin: From the men's perspective, would you not have somebody join the team because of feelings?

Bert: no, but you look at the chemistry.

Kristin: Yes, chemistry, but if you look at the Olympics, you will see a lot of ego as well.

Bert: for men, probably not as much.

Moe: Other women deserved it more than her.

Abby: If that's the reason, she doesn't deserve a spot, but she was in class.

CUT TO AUDIO

6:10

Bert: she took the high road, which is smart, and deep down in her heart, she would love a spot.

Abby: Pat Sajak is done and I'll tell you more next!

6B: Moe Goes To Bali And Experiences Subtle Racism and meets TO.

6:24

Moe: I'm pretty sure I experienced some racism, but it ended comically.

Bert: All racism is not created equal.

Moe: I learned two valuable lessons. Never meet your heroes. In Bali, go to a spot. Walk in, food, good times. Randomly black guy comes to me and tells me about a hashtag. I'm like cool. There is another room and it happens to be here. Everybody is back here so come party with us.

Bert: Does he live there?

Moe: Yes he does.

Kristin: Yes black in Bali.

Moe: Yes, and I'm having a drink and the guy next to me is tall and all the people it's Terrell Owens. As a Cowboys fan, I spent many years rooting for him. So I grabbed a drink and told him what's up and he was like Why are you talking to me? We are supposed to be supporting each other! I end up going back to the original place. I'm getting a drink here and in the first part, this random woman comes to me and looks at me where it looked like she recognized me. She looks at me and goes Wow, you are black in Bali! It caught me off guard.

Bert: It was a white woman?

Moe: Yes

Bert: Yes I am, and hi, I'm TO.

Moe: I didn't pay much attention to it. I go back, and they say what happened? I wanted to ignore it.

Bert: Now I'm getting fired up.

Moe: One of the dudes said she needs to owe you an apology. She walked out of the club with TO. She grabs his hand and they walk out together.

Kristin, if she was with TO, would she think you were the originator?

Moe: I don't know.

Abby: We will never know

Moe: I was so confused

Kristin: Was she racist?

Moe: I guess not

Bert: Was she with TO before?

Moe: Absolutely not.

6C: Somaiya Dates For Looks/Abby Has A New Guy As A Neighbor.

6:39

Bert: Don't go for the personality; go for the looks! Forget about looks!

Somaiya: In my last dating situation, I left the guy because he wasn't cute.

Bert: ewwww

Kristin: Why give him a shot if he wasn't cute?

Somaiya: Well, you grow up on the personality, but I couldn't look past it.

Bert: What creates conversation, make her laugh; do everything you can.

Somaiya: Dating apps kind of force you to pay attention to looks instead of personality.

Kristin: Has it always been like this?

Somaiya: It's been a pattern since high school

Kristin: In your data research, the majority of guys you went for were personalities.

Somaiya: But it didn't work.

Kristin: Screw your personality

Somaiya: This isn't working we can be friends.

Bert: Things have been great, though?

Somaiya: Why, come back? I'm not interested.

Bert: you can't be pathetic and cute.

Moe: If it's the opposite then what.

6:41

Somaiya: That's a no too,

Moe: you need everything!

Somaiya: Yes I need a balance

Abby: Can you give us an idea of what made these men unattractive?

Somaiya: Men who are attracted to me are into anime and that's not cool. It makes sense they like anime but no.

Kristin: Is there a certain look or not? What personal attributes?

Somaiya: Not into guys with longer hair or fit guys, I prefer guys with abs.

Bert: The honesty is refreshing. How old are you?

Somaiya: 21

Bert: You have a long list, and when you get older, it may get smaller and smaller when you get older.

Moe: He still needs abs!

Bert: enjoy this time and look for it.

Somaiya: OK, I will.

Bert: Abby, something happened to you?

Abby: I experienced something that only happens in rom-coms and sitcoms. I was walking and there were some people. In my guest room side, I used to hear the baby scream. All of a sudden the crying went down. Did I get new neighbors? The person living next door is a hot man. I had to do a double-take. He's at least 21. I ran back into my apartment and not be a stalker. Maybe it's a one-off thing. Came home from my walk and saw him. Do I say something?
6:47

Kristin: Isn't this dangerous?

Bert: Because it's in your neighborhood?

Abby: How often do you see this in the wild?

Kristin: I'm excited for you, but it doesn't work out, and you can hear him with other girls.

Bert: Let's default to the best scenario.

Moe: then what?

Laughs*

Abby: This is ending in flames

Bert: Let's do something different

Abby: same results, insanity

Bert: What would old Abby do?

Abby: bang on his door and tell him he should fall in love with me. No note under the door.

Moe: Don't ignore him but don't force it. It'll happen. Keep it moving. Just let it happen organically.

Kristin: Cheesy rom-com, you love to bake and you ran out of sugar

Abby: Maybe some other powder white stuff.

Kristin: Go over and say you need something and ask if he would like a few when you are done.

Bert: Or knock on the door and ask if he has condoms and if he would like to use them

LAUGHS*

Moe: Solid options

Bert: door number one or door number two

Abby: I'll let y'all know next week.

7A - Moe Raps a ChatGPT'd Will Smith Diss Track/ EBUZZ: Will Smith Was In The Theater For Bad Boys 2/ Pat Sajak Is Leaving Wheel Of Fortune After 40 Years

7:01

Kristin: In honor of Father's Day we want to do a corny joke-off! We want you guys to head to head with another father, so go ahead and email Tommy with your 5 best dad jokes,

Bert: and we'll give you \$250 if you win. We've proven to you that our cohost Moe can rap anything by only hearing the beat, Scenario number 1 is about Caitlyn Clark, and scenario 2 is a diss track from Will Smith to everyone. Which one do you want?

Moe: I'll take the Will Smith diss track

Tommy: There's only one track you can pick, and that's Miami.

Bert: This is chatgpt'd and Moe does not know the lyrics at all.

Moe: *raps diss track flawlessly*

Bert: I was really interested to see how his new movie was gonna do because its part of the franchise

Moe: This proves that Will Smith can never be canceled, even after the Oscars slap.

EBUZZ

Abby: Someone on TikTok went to see Bad Boys in theaters and Will Smith was in the theater with her, Pat Sajak is also saying goodbye to Wheel of Fortune, he called it "an incredible privilege to be on TV in homes for so many years"

Kristin: I completely forgot that Ryan Seacrest was going to be taking over but Im not going to lie I was bummed when I saw the picture of Seacrest with vanna white

Bert: I thought there would be more emotion in Pat Sajak's send-off

Abby: I feel like if you've done a job for 40 years you would just be ready for it to be over

Kristin: that's classic Pat Sajak, he's just a very chill dude. When you watch the Wheel of Fortune blooper clips, I have never seen him rattled, he is completely unfazed.

Abby: The internet is shocked over Glen Powell's story of a first date. On a podcast, Powell revealed his sister's friend went on a date where she went on a date with a cannibal. Some people are saying it's insane, while others are saying that he is passing off the story as his own.

Abby: George Lopez walked off stage after hecklers wouldn't allow him to finish his set, find out more on your next EBUZZ

Bert: Non-basketball fans are furious that Caitlyn Clark didn't make the Olympic team find out more next on the Bert Show.

7:13

7B - Outrage Over Caitlyn Clark Not Making The USA Olympic Team

7:24

Bert: Half the country doesn't know what the WNBA stands for, 80% have never watched a WNBA game, however, 100% of people are upset that Caitlyn Clark was left off the Olympic team. The women's team for the united states kicks ass. The fact that were having this conversation about Caitlyn Clark made me realize how good their team was. Christine Brennan from USA Today said that you can either love or hate Caitlyn Clark, but the truth of the matter is that the TV ratings when she is playing are massively different than when she is not playing. Putting Caitlyn Clark on the US women's national team would bring much more media spotlight to players that haven't been previously covered. Not putting Caitlyn Clark on the team is an admission from the old WNBA players of some animosity toward her.

Moe: From people who watch the WNBA, the consensus seemed to be that she would have to replace one of those guards, who she isn't performing as well as.

Kristin: Name a player on the team

Bert: Diana Taurasi, and maybe if Caitlyn Clark had been on the team, I would've paid more attention and known 4 or 5 more players.

Kristin: I want to give credit to the women who did make the team because they are going to do America very proud.

Bert: Coming up next, she eloped before her wedding without telling her mom, find out the ramifications next.

7C - Do You Face Toward Or Away From The Water When You Shower? / She Eloped Before Her Wedding And Finally Told Her Mom

7:41

Bert: you know how when you do things your own way you assume the whole world does it like you. I'm in the same boat as this person on Instagram who found out people shower in 2 different ways, facing away from the shower head, and facing toward the shower head. I didn't know that people waterboarded themselves every day

Abby: I'm a waterboard person

Moe: Me too

Tommy: how do you soap up

Abby: I focus on my back more maybe 70/30 back to front

Moe: I face the water but it hits me on the top of the head

Abby: I sit down in the shower, facing toward the water

Bert: That is crazy

Tommy: She actually crying from all the dates she's not having

Abby: It's relaxing!

Kristin: I am sure she gets the majority of her body when she's standing

Abby: It is very relaxing I have my echo dot on doing some karaoke

Moe: After a night of too much drinking my friend fell asleep in the shower for 8 hours.

Abby: That's how I rank how my night out at the bar was cause instead of taking my makeup off I'll shower, then sometimes again in the morning.

Kristin: I'm a back showerer because I don't wash my hair every time. When it is time to wash my face I cup the water in my hands and splash my face

Bert: Let's get Alex back on here she was stressed because her mom didn't know she eloped, tell everyone what you're stressing about Alex

Alex: I had been engaged for about a year and the plan was to have a really big family wedding, but me and my fiance got married in Vegas and then maybe tell my mom later. The planning had already begun for the wedding before we eloped. My parents have been heavily involved

Bert: were you going to be the first daughter to get married?

Alex: Im her only daughter so yes

Bert: were you more nervous about telling your dad

Alex: My dad is pretty easy going but he would be upset for my mom

Bert: what did you end up doing

Alex: we are 2 weeks into this marriage and he is already sleeping on the couch. We went to lunch at my mom's house and the plan was to not tell her about eloping. My husband cracked up and told my mom about the eloping. My mom asked who we wanted to officiate the wedding

and my husband cracked and said, "Well it doesn't matter who marries us because we already got married in Vegas!" My mom began crying and she went up into her room. I wanted to assure her that nothing would change but for her, it was more about it being a full-circle moment with her only daughter. We put all our wedding plans on hold for now

Kristin: I think it's fair for your mom to be upset, but I don't think it's fair for her to guilt trip you into feeling bad for yourself. I think you should give her some time because you'll still have the wedding. Do you have any regrets about getting married in Vegas?

Alex: I kind of do now because I threw away some important moments with my mom

Bert: I think she'll eventually get over it but there definitely has to be some disappointment there for her

Kristin: I think you and your husband should get on the same page first.

7:55

7:50 - Kristin And Abby Do Their First Restaraunt Review

Kristin: Abby and I ventured to midtown to have a spectacular dinner at Lazy Betty. Atlanta just had the Michelin star system come to our city, and lazy Betty had one, and this is a big deal. It is smaller portions, but they are packed with so much flavor. We started with the oysters, and I wanna give props to the chefs.

Abby: we also had some really incredible bartenders despite them kicking us out of the bar. YOU can't just sit at the bar, you have to be there for only 2 hours.

Kristin: Yeah we got kicked out because I was late to meet Abby. While the bartenders were amazing we got kicked out because we were there longer than we should have.

Abby: The one bartender named Konrad refused to kick us out and we were literally offering to leave.

Kristin: The other bartender, grumpy, escorted us to the lounge area.

Abby: they felt bad about the mix-up so they offered us some very expensive liquor. It was 100-proof liquor and they evidently made only 100 bottles of it.

Kristin: I didn't want to do it because I didn't think it would taste good. So I asked how much an ounce cost and it was \$200.

Abby: We did the shot, it was \$400 worth of liquor so we had to do it. The service was so good too, it was quite literally Michelin star

Bert: I like to stay away from Michelin-star restaurants because they are too sophisticated for me. However, The Bear has changed my perspective on those restaurants.

Abby: this place is boujee but it isn't pretentious. So first we had some shrimp salad, then we did a truffle pasta. We wanted to be adventurous so we got a donut off the menu but it was a flau-gra donut. It came out with a flower crown on it.

Kristin: It's called Lazy Betty, once again and I could not recommend it more.

8A - The Truth Will Set You Free/ EBUZZ: Nick Cannon Insures Millions

8:05

Bert: The truth will set you free. You tell us your secret. Did you guys hear about this couple from Utah that just got married?

Moe: No

Bert: Tell his new wife to go to the back of the truck.

Kristin: It's another thing

Bert: They still went through with the wedding.

Kristin: That was a stupid stupid move.

Bert: Here is Tori the truth will set you free

Tori: Hey.

Kristin: Does your son not know?

Tori: He is single.

Bert: Nobody has questioned this

Tori: Nope

Moe: You plan on keeping this to yourself

Bert: Does the real baby daddy know he's the father

8:09

Kristin: You guys have still been together for 8 years

Bert: Hi Caitlyn

Caitlyn: been dating this guy for 6 months, it's been going well. We got on the subject of family. I'm dating my best friend's brother.

Kristin: How did you not know Catilyn? Caitlyn, why are they estranged?

Caitlyn: I don't know the whole extent of their relationship. I don't know how to be like, "Hey I'm dating your brother."

Moe: Why are you not telling your best friend?

Caitlyn: I don't want to be a part of family drama.

Bert: Hi Sarah.

Sarah: I'm sleeping with a guy married with 3 children. I made only fans.

Bert: You used that experience to make money.

Abby: She's a businesswoman.

Kristin: You focus on sleeping with married men.

Sarah: Uhh no not necessarliry.

Bert: Way to turn a negative into a positive. The dude was looking for a reason.

8:13

Abby: Someone kept talking during it. She can buy him drinks. Obviously very upset. George hired security to escort hecklers out.

Moe: He was looking for a reason.

Bert: Yeah Matt Rife. He's very talented. I was asking Moe that earlier.

Moe: There's definitely a shift. As a comedian, you have to learn to deal with social media comments.

Abby: I get how it's frustrating, but you do sign up for that.

Moe: To me, that's a part of being a comedian.
Abby: I skipped geography. Your favorite sports teams.
Bert: It's so hard being a Cowboys fan.

Moe: She's not crazy that's cheating.
Abby: What's the difference? If you were contacting any other women, it would be cheating.
Bert: I'm going to stick up for this guy. She's going to do what she's going to do. Isn't that different?
Kristin: If you are communicating with said eperson, then it's cheating. We talk about hall passes, but it still counts as infidelity
Moe: It's not the same as the movies. The possibilities are endless. The interaction is off the table
8:32
Kristin: Hope you're getting paid well.
Bert: He's not revealing anything emotional about their relationship
Abby: If you are using an adult website. Why would you choose the internet over the person? Even if you're just doing it to communicate then it feels like the start of a relationship.
Moe: Your significant other going to a strip club is kind of the same thing.
Abby: The strip club could have good lemon pepper wings.

Bert: Some things stood out to Stacy.
Kristin: Did you go on a date with both of them
Stacey: I hadn't gone out with one of them.

Bert: This was how many weeks ago we started this journey.
Stacey: This is what I want. Then we went on that Friday. All weekend I don't hear from them.
Bert: Text them right off the date.
Stacey: You did that with me, too the 3-day rule. I texted Bert. Then I talked to Joe.

Kristin: This is exactly what Stacey lies about.
Bert: God will send you the right person

Stacey: I've gone through a lot, but I'm in a place where I feel worthy now. I am so grateful for you. You wouldn't be where you are in your happiness.
Bert: Thank you for saying that.
Kristin: I want to hear about Joe.
Stacey: Our first date was Saturday, we had a 9-hour date. It was a 2-day date. I was over the moon. I think this is the guy.

Bert: In a couple of minutes, we will get Glorid back on. Boyfriend posting on Reddit.

Kristin: Adventures in mommyhood! Conversation about consent with a three-year-old. It's never too early, right?

Abby: What was Jimmy doing?

Kristin: I went to the mountains. She has a 6 and 3-year-old daughter. I have a 3-year-old. We had a good time. We had the kids in the hot tub. Time to get out. We go inside the house, and we strip off on the deck. Kids are in the house naked. My friend's daughter was taking off her bikini bottoms, and Jimmy came up and smacked her on the bare ass. Jimmy and Bart will smack me on the booty. But he did it to a little girl. Jimmy, listen, how do I explain this? I got your booty. Smacking each other's booties. Focused, make eye contact. You can't smack someone's booty unless they give permission.

Bert: About 4-5 years old, he got two girls to strip.

Abby: The rizz

Moe: He is a legend.

Bert: We all hanging out in the living room. So we search for them from room to room. Hollis locked the door from the inside. When we opened the door, they were naked. Then, she talked a girl out of her clothes on the playground.

Moe: He's got serious rizz.

Bert: Yea!

Kristin: Y'all are making me feel better.

Bert: Your boyfriend was posting what on Reddit?

Gloria: He was a moderator for a subreddit; he and I have been dating. He's always been great and sweet. I need to confront him, or if I'm conflating things.

Bert: Misogynistic, Andrew Tate

Kristin: Men had rights, but they didn't have to fight for them

Bert: Men are getting scared of women getting stronger.

Gloria: One of the comments that shook me was society had failed when women were allowed to vote.

Bert: Men have let us down voting too.

Moe: No one should be voting.

Gloria: Worst comments and a couple of other comments on advice. Training girls like pets.

Moe: Wow

Gloria: Hey I want to talk, and we talked. He came in, and I showed him the comments. He started reading it, his face dropped, and white as a piece of paper. He goes, what is this? He started to walk out. He was short-circuiting. He denied everything

Bert: He said that's not him? The name and commonality?

Gloria: Yes, exactly. He said to me that he found someone random on Reddit. I've never seen him react like this before. I pressed him on it. He started yelling at me, delusional.

Bert: Classic gaslighting. Where do you go from here?

Gloria: At this point, it doesn't matter if it was him; for me, it was obviously him. Regardless, I'm not gonna deal with someone.

Bert: you plan on breaking up with him?
